

Physical access to the Lab.

The ViSAC lab is normally locked and accessible only to registered clients.

Students attending subjects within the Lab are offered individual swipe cards that grant 24 hours access.

The card may be used to unlock the doors to the lab and building access door immediately below the lab.

The lab workstations may be used at any time the Lab is {ln:<http://www.hpcu.uq.edu.au/bookings> |not booked}. During a booked timeslot, ad-hoc usage is at the discretion of the booking holder.

Forms to obtain a swipe card or register an existing card will be supplied by the subject lecturer or supervisor. Completed and signed forms should be returned to the ITS/UQconnect Service Office.

New swipe cards are issued on payment of \$20 deposit. Card activation may take upto 3 days.
